San Antonio, TX – Custom Insurance Solutions announces the availability of integration between **Agency Information Manager®** and **AMS-Rackley PolicyRater™** for all 50 states. The two-way integration seamlessly transfers policy, risk, coverage and premium information between **Agency Information Manager®** and **PolicyRater™**.

Patrick M. McCall, Director of Sales at CIS, commented, “by partnering with AMS-Rackley, we are now able to provide a countrywide commercial lines rating solution for our MGA clients. The integration with **PolicyRater™** will greatly increase efficiency and productivity for our **AIM** customers and allows us to offer a complete rate, quote, and issue workflow for the MGA market.”

Mark Stroop, Vice President of Sales of AMS-Rackley, added “This opportunity advances the industry as a whole towards the ultimate goal of single entry solutions for MGAs and Carriers. We are excited about our alliance with CIS and look forward to providing our mutual customers this added benefit.”

*Custom Insurance Solutions (CIS) develops and markets software solutions specifically designed for the wholesale brokerage and managing general agent. CIS is a full service software development firm specializing in the design, development, and implementation of custom business solutions. In 1996, CIS released our first complete software application framework for the Insurance industry: **Agency Information Manager** ®. CIS has used this framework to accelerate the construction of a variety of custom solutions for our Insurance clients. Today, CIS offers both packaged and custom technology solutions for the Insurance industry.*
